National Honor Society (NHS) Service Credit Calculator

Name: _____ Grade: _____ Term (circle one): FALL/SPRING

NHS Membership Requirements:
Maintain a total average of 85% each marking period, with no class failures
Maintain at least a 90% attendance record
Attend monthly NHS Meetings
Earn at least 70 Service Credits for each term

SERVICE CREDIT:

In order to maintain your membership status at NHS, you must complete a total of **70 service credits** for each term. The Fall Term is from Marking Period 1-2, and the Spring Term is from Marking Period 3-4.

Credits do not “roll over” from term to term. For each term, at least 10 credits must be from Category C (School Service).

Please note: If any part of this sheet is filled out incorrectly, it will not be counted

CATEGORY A: Extracurricular Activities: (any club or team, including COSA/Student Government)
Membership must be for the ENTIRE term, attending one meeting is not enough! See your club advisor for verification of club membership.

Note: If you participate in any events hosted by your club, it does not count a second time!
